

I am in favor of the Indiana and Federal DO NOT CALL list. I pay the phone bill for my use and not the use of telemarketers. Telemarketers are arrogant and obnoxious when they call, and I do not want you to give CBA or any other group the right to invade my privacy, or my home. I pay the bills and they do not, so therefore it is my phone, for my use and not there use. CBA and any other organization that's wants to peddle unsolicited junk ARE NOT WELCOME ON ANY OF MY PHONES!!!!!!!
